Las servilletas Double Point están fabricadas a partir del encolado de dos capas de papel tisú, mediante una técnica especial de gofrado que les confiere un mayor volumen y suavidad.

Les serviettes Double Point sont fabriquées à partir du collage de deux couches de papier, grâce à une technique spéciale de gaufrage qui leur confère un meilleur volume et plus de douceur.

Double Point napkins are made by bonding two plies of tissue paper by means of a special embossing technique, which makes them softer and thicker.
